A WOODLAND® QUALITY BRAND

ALL GAME TERRAIN™

Premium Scenery for Miniature Worlds

From the makers of Woodland Scenics® comes an all-new gaming brand, All Game Terrain. Offering some of the most realistic scenery products on the market, All Game Terrain ignites gamers' imaginations and makes their tabletop terrain fantasies come to life.

Woodland® is the parent company for various brands, including Woodland Scenics. This brand allows hobbyists to create superior realistic model scenery with high-quality products for model railroading, architectural models, dioramas and every miniature craft in between.

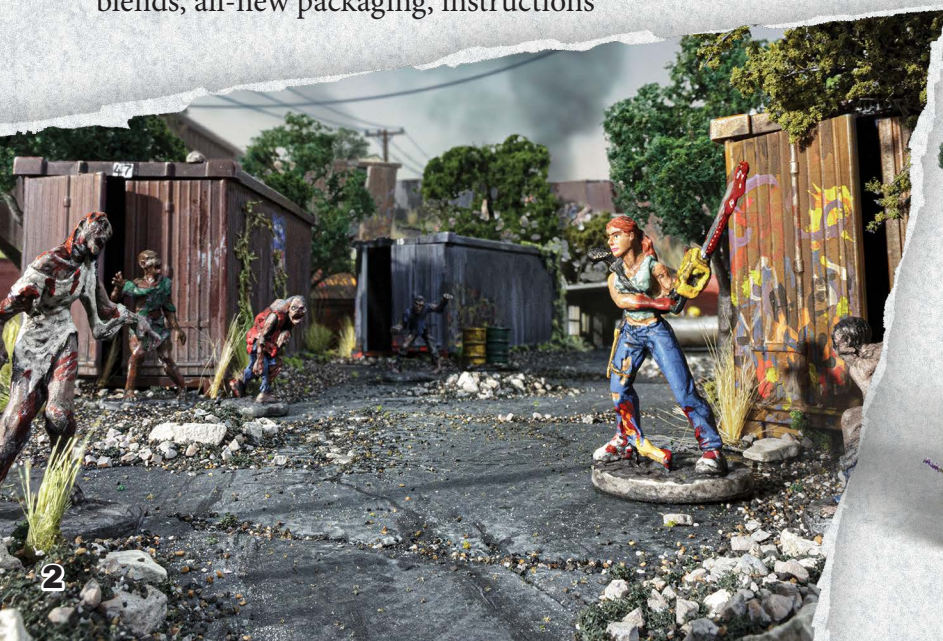

Woodland has taken its top-quality scenery materials from the model railroad hobby and is bringing them to the gaming world with an entire line of landscape products made just for gamers.

With this brand comes new items and blends, all-new packaging, instructions

and illustrations tailored specifically for gaming miniature bases and mats.

All Game Terrain is designed for use with a variety of different commercially available miniatures and terrain pieces such as Dungeons & Dragons®, Warhammer®, Reaper Miniatures®, Hero Forge® and others. The brand also offers more economically sized packaging for the average gamer's needs.

The new products in this brand include pre-blended items. These blends help the gamer achieve a variety of looks such as post-apocalyptic, futuristic and fantasy types of terrain.

Base Paint

Use Base Paint to create realistic landscape from the ground up by replicating soil or grass undertones.

- 4 fl oz (118 mL)
- Replicates natural earth tones
- Water soluble and non-toxic

Green - G6614

Earth - G6615

*Rocks
designed to
easily blend*

Rocks

From granular Sand to hefty Boulders, use different sizes and blends of Rocks to create a sense of environment on your miniature base or gaming mat.

Sand

This pre-blended granular material creates a dry, arid environment.

- 9.72 in³ (159 cm³)
- Use for realistic beaches or deserts
- Create variation with other Rocks

Natural - G6519

Red Blend - G6520

White Blend - G6521

Gravel

Gravel is pre-blended with turf and represents loose rocks and ground cover in a variety of environments.

- 9.72 in³ (159 cm³)
- Ideal for natural or exotic terrain
- Create variation with other Rocks

Natural - G6532

Red Blend - G6533

White Blend - G6534

Stone

Use Stone to represent medium to large sized rocks while also showing scale for your miniatures.

- 9.72 in³ (159 cm³)
- Use for barricades or along shorelines or pathways
- Realistic and authentically weathered

Natural - G6545

Black - G6546

White - G6547

Boulders

Boulders are the largest Rocks. Use them as a statement piece or as a line-of-sight blocker on your terrain feature.

- 4 PC per package
- Ready to place out of the package
- Perfect to use on battlefields

Surface - G6558

Outcropping - G6559

Random - G6560

Ground Cover

Ground Cover easily adds seasonality and fine to coarse texture and variation to your miniature base or gaming mat.

Base Layer

Base Layer (with the exception of Snow) is pre-blended to replicate various soils and turf.

- Finely textured
- Easily covers your terrain base
- Creates a realistic foundation

Ground
G6420
19.5 in³ (319 cm³)

Green
G6421
19.5 in³ (319 cm³)

Earth - G6422
9.72 in³ (159 cm³)

Soil - G6423
9.72 in³ (159 cm³)

Snow - G6424
9.72 in³ (159 cm³)

Grass

Grass is pre-blended and easy to apply directly on your mini's base or on the side of buildings, tree trunks and rock faces for a mossy look.

- 9.72 in³ (159 cm³)
- Use for low grasses and leaves
- Blends naturally with other Ground Cover

*Use Grass
to make a moss
effect*

Dry - G6435

Spring - G6436

Summer - G6437

Weeds

Weeds are pre-blended to easily replicate weeds and other overgrown plants.

- 9.72 in³ (159 cm³)
- Blends naturally with other Ground Cover
- Add weeds to buildings, rocks and other terrain features

Dry - G6448

Spring Green - G6449

Summer Green - G6450

Apply
Soil to create
paths

Foliage Clumps

Foliage Clumps make it easy to replicate bushes, shrubbery and trees on your terrain feature.

- 9.72 in³ (159 cm³)
- Creates irregular sizes or shapes
- Use for hillsides or tree masses

Light Green - G6461

Medium Green - G6462

Dark Green - G6463

Mix various
Ground Cover
together

Accents

Accents give fine details like highlights, colors, texture and dimension to any terrain feature.

Flowers

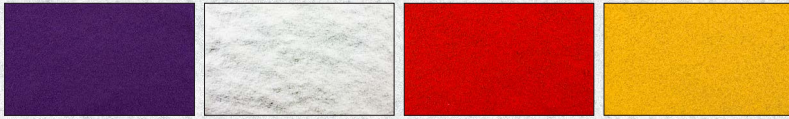

Flowers add realistic highlights, texture and dimension to your miniature base or gaming mat.

- 4 Bags – 1.8 in³ (29.4 cm³) ea.
- Available in Purple, White, Red and Yellow
- Great on trees, grasses, bushes and vines

Flowers - G6474

Flowers add a pop of color

Shakers

Shakers are specially designed with smaller-sized sieve holes for a detailed application.

- 2 PC (1.5 oz ea.)
- Use to apply highlights and shadows
- Multiple opening sizes

Shakers - G6400

Brambles

Brambles represent low to medium growth for hedgerows or thickets in fields and forests. They also replicate saplings and small trees.

- 19 in³ (311 cm³)
- Offers seasonality
- Represents low to medium growth

Fall - G6480

Spring - G6481

Super Foliage™

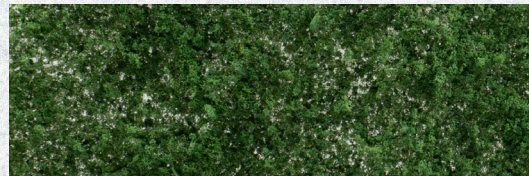

Super Foliage easily replicates bushes, create foliage for trees, or even add crawling vines to buildings.

- 32 in² (206 cm²)
- Adds texture and variation to scenery
- Blends naturally with other Accents

Super Foliage makes excellent vines

Light Green - G6493

Dark Green - G6494

Accents

Dead Fall

Dead Fall is used to replicate fallen tree limbs and other forest debris.

- 0.76 oz (21.5 g)
- Use for barricades on battlefields
- Ready to place out of the package

Gamer Glue

Gamer Glues are specially formulated for adhering landscaping to your gaming mat or terrain feature.

Super Seal™

Super Seal acts as an overspray to seal landscape materials to your terrain and is ideal for use with Sand, Gravel, Ground Cover and certain Accents.

- 8 fl oz (236 mL)
- Dries to a clear, matte finish
- Water soluble and non-toxic

Super Seal - G6407

Magic-Tac™

Magic-Tac is a thick, high-tack adhesive used for attaching Tall Grass, Static Grass and making custom repositionable tufts.

- 4 fl oz (118 mL)
- Repositionable and holds shape
- Water soluble and non-toxic

Magic-Tac - G6408

Game-Tac™

Game-Tac is a strong-hold adhesive perfect for permanent placement of Brambles, Deadfall, Stones and other landscaping materials. Apply Game-Tac and press scenery material into adhesive.

- 4 fl oz (118 mL)
- Thick, flexible, permanent adhesive
- Water soluble and non-toxic

Game-Tac - G6409

Sprayer

Sprayer has a removable mist cap for an adjustable application and measurement markings on the bottle.

- 8 fl oz (236 mL)
- Fine mist or heavy spray
- Made for use with Super Seal

Sprayer - G6401

Sprayer set to fine mist

Sprayer set to heavy stream

Two settings for easy use

Water

Water products are specially designed for adding aquatic features to your tabletop scenery.

Realistic Water™

Realistic Water is a one-step solution that pours directly on your miniature base or gaming mat.

- 8 fl oz (236 mL)
- Easily pours, minimal shrinkage
- Use for still or slow-moving water

Realistic Water
- G6601

Water Effects®

Water Effects is used to create movement of water or to apply directly on your mini for a wetting effect.

- 4 fl oz (118 mL)
- Replicate water movement
- Flexible and dries clear

Water Effects
- G6602

White Water Highlight™

White Water Highlight replicates foam or froth to a water feature.

- 2 fl oz (59.1 mL)
- Intensify water movement
- 100% acrylic and non-toxic

White Water Highlight
- G6603

Create
everything from a
drop to a sea

Merchandiser

The All Game Terrain sleek merchandiser comes with an eye-catching four-sided header.

It is compact, organized and comes equipped with re-order tags. The tags make it easy for the store owner to know exactly what they need and quickly re-order those items. The merchandiser can also be converted into a pegboard display.

This spinner merchandiser makes it easy for a customer to make a one-stop visit for all of their tabletop terrain needs.

More than 60 products!

Two different assortments are available. The complete assortment includes 2-6 each of the full line of 60 products. The starter assortment includes 2-4 each.

Contact your preferred distributor to order
